Wilder

"further we go, the wilder it gets"

Perched quietly along the Clinch River in the Virginia mountains once sat the Wilder Coal Camp, the birthplace and home of our founder, "Big George." Our restaurant honors those who came before us—vibrant people from many cultures whose ingenuity inspires our own.

Guided by their legacy, we take a seasonal approach to dining, using each ingredient to its fullest. We proudly partner with local farms and artisans whose stewardship and spirit reflect the same values, including River ' s Ridge Farm, Race Family Farmstead, Cruze Farms, Benton ' s Smoky Mountain Country Ham and Bacon, Sixteen Peeks, and Bake That Dough.
