

Guest Dog Agreement at Windy Hill Farm and Preserve

Windy Hill Farm and Preserve understands that your dog is an extension of your family. We gladly welcome your canine companion to our property!

Guests traveling with dogs should provide Windy Hill Farm and Preserve with advance notice. If no advance notice is given, Windy Hill will make every effort to accommodate a dog; however, if no dog-friendly accommodation is available, the guest must make other arrangements for dog.

Please review the following policies and guidelines before booking with your dog.

Fees

- A one-time dog fee of \$75 will be applied to your folio upon arrival. This fee does not apply to service animals.
- If any property damage occurs, guest is responsible for any cleaning or repair fee incurred as a result of damage caused by dog. This includes but is not limited to any furniture, carpet, etc. If replacement is necessary, guest is responsible for full cost of replacement.

Requirements

- Windy Hill Farm and Preserve is a working farm and full of livestock, hunting dogs, and other animals. Any guest dog that is on property must be trusted to be friendly with all other animals along with other guest and staff members on property at any given time.
- Must weigh below 75 pounds.
- Verification that vaccinations are complete and up to date.
- Dog must be leashed when not in room or actively in the field hunting.
- Guest is responsible for cleaning up after the dog on resort property.
- Non-service animals are not permitted inside of the dining room.

Provisions

- Windy Hill will provide towels to keep your dogs clean and dry. Guests' towels should not be used for pets.
- If owner leaves pet in room the room, pet is required to be crated to receive housekeeping service and/or maintenance request.
- Owners should provide their own food for their animals. Windy Hill Farm will provide a water bowl, food bowl, and a crate for the time of your stay.

I agree to the above fees and requirements and assume all responsibility for my dog(s) actions while on property.
